

OFF-LEASH DOG PARK

Bucasia Beach

Williams Avenue to Symons Avenue

(5am-8am & 5pm-8pm everyday) [View map](#)

CONDITIONS FOR USING OFF LEASH AREAS

Off leash areas are not for the exclusive use of dogs and their owners. They are for the enjoyment of all, so please be considerate of people who may be sharing the area with you and your dog or using the area after you leave.

Here are a few simple steps to make your visit to an off leash area a pleasant one for everyone:

- Biting, fighting and aggressive dogs are not welcome
- Excessive barking is not allowed
- Keep pets under effective control at all times
- Pets should have current vaccinations
- Always clean up after your pet – Scoop the poop
- Don't bring more dogs than you can handle
- Fill any holes your dog digs
- Always be considerate of other users
- Dogs must be registered.

EFFECTIVE CONTROL

Your dog must be under your effective control for the entire time it is off leash. Effective control means your dog responds to your command and remains close to you.

REGISTRATION

All dogs must be registered with council. All declared dangerous dogs need to be muzzled in public and under the effective control of one person.

SCOOP THE POOP

Some of the off leash areas provide dispensers with dog litter bags. However, you should not rely on their availability. Please make sure you always have equipment with you to pick up and dispose of your dog's droppings. On the spot fines apply if you fail to remove your dog's droppings in a public place.

The dog off leash area is the signed part of the park, reserve, foreshore or beach where dogs may be exercised off leash but under effective control.
